

'Easy Access' Membership 2011/2012

The 'Easy Access' membership is a simple way to pay for your golf for a limited time of thirty days or a set period of your choice. All you need to do is decide when you wish to join and how long you wish to be a member for and we charge you accordingly for that period. Your membership swipe card will be activated from the day you start for the nominated period you request. Each time you play you will swipe your card at the pro-shop. When your membership finishes your card will no longer work.

You can then re-join as and when you please. If you keep your membership card it can be re-activated.

The chart below represents the value for each full calendar month. The cost will be calculated on a daily basis for the months/days involved. You can join at any time of the month. Membership can be for a limited period with the minimum period being thirty days.
